organizations, and teacher organizations requesting
teacher population and the employing school districts.
from various stakeholders:

For the certificates services will be done together

to courses with their Master Teacher certificates
ns;

provide an avenue for those educators to continue serving students and school districts in those roles.

In preparation of this discussion item, TEA staff conducted a stakeholder meeting to solicit feedback to present to the SBEC. TEA staff will provide an update to the Board during the May meeting that includes information regarding the stakeholders, the meeting process, and the feedback received from stakeholders regarding options to present to the SBEC related to Legacy Master Teacher certificates.

PUBLIC AND STUDENT BENEFIT: The public and student benefit will be clear guidance for districts, educators, students, parents, and the rest of the educational community regarding the status of Legacy Master Teacher Certificates.

Staff Member Responsible:

Marilyn Cook, Director, Educator Certification
