FAMILY VOICES

- “We get to make our own schedule, which is fantastic. That's what I love about TTU K-12.
” – Mom of a current TTU K12 5th Grader and 2^d Grader.
- “I can work on each class each day or if I have a project or paper, I can use my entire day to work on that subject. I can also work on things longer if I need more help. If I need to do extra work on a Saturday or Sunday, I can.
– TTU K-12 Freshmen
- “We never considered distance learning or ‘school at home’ for our girls, but God had bigger plans for us, and we thought, ‘let's just try it.’ This way of schooling also helped our family as we travel for business.
.” – Mom of 3
(soon to be 4) TTU K12 students
