After an internal document review, TEA has determined that **Eden CISD** received a **2020-2021 Cyclical Monitoring Report** that may have contained confusing information regarding compliance standing and requirements for further action. The attached updated report corrects language on page 1, and if applicable in the Appendix.

Specifically, although individual instance(s) not meeting regulatory and/or statutory requirements during the review of LEA provided data were found, the LEA timely corrected those instance(s) prior to any letter of finding from the State being issued. Therefore, no further actions resulting from the LEA's cyclical review are required.
