INTRODUCTION

The Texas Education Agency (TEA) would like to extend appreciation to LEAs for their efforts, attention, and time committed to the completion of the review process.

The TEA has developed a monitoring approach that reviews compliance indicators while also looking for best practices. In commitment to the approach, the cyclical monitoring report will provide the results of the LEA compliance review related to the Individuals with Disabilities Education Act (IDEA) and federal and state statutes, a summary of data related to Results Driven Accountability (RDA), State Performance Plan (SPP), and Significant Disproportionality (SD), recommend targeted technical assistance and support for LEAs related to special education, and highlight promising practices of LEAs that demonstrate success.

CYCLICAL MONITORING

The TEA conducts cyclical reviews of all local education agencies (LEAs) statewide over six years. The purpose of cyclical monitoring is to support positive outcomes for students with disabilities and to determine compliance with special education regulations.

LEAs are required to submit artifacts and/or sources of evidence for compliance and promising practices reviewed in the following areas:

- Child Find/Evaluation/FAPE
- IEP Development
- IEP Content
