waivers are aimed at providing program flexibility. LEAs can apply for districtwide or campus-specific waivers. Ms. Smyrl reminded the committee about which programs are covered by the Ed-Flex Waiver program and which requirements cannot be waived.

shared the waiver request from High Point Academy. The copy of the waiver application, as well as the staff analysis document was sent to the committee for review prior to the meeting. Also included in that information was a copy of the \$05000 Consolidated Federal Grant Application. The LEA has one campus not served for Title I, Part A. The low-income percentage reported on the \$05000 is 28.72. This is below the district percentage of 31.42. For the

current decision, the
