

Title I Committee of Practitioners Overview & Updates

Lunch Break 11:20 a.m.-12:45 p.m.

Didi resumed the presentation of FPC updates after lunch, sharing information about random validations (RV) for 2021-22. Of 402 LEAs validated, 94% met requirement and 6% were rated as improvement needed. Those LEAs needing improvement are required to resubmit documentation for review.

She also shared the processes for random validation for 2022-2023. Things to note for the new validation process are discontinuing the use of Submission packets and replacing ESSA Reports with the Federal Program
