

2019 Accountability Policy Advisory Committee Summary of Meeting on November 5, 2018

The objective for the first meeting of the 2019 Accountability Policy Advisory Committee (APAC) was to review 2018 accountability results and recommend improvements for the 2019 accountability system and beyond. TEA responses to questions and concerns given during the meeting are provided in red. Some questions will require staff research and are yet to be answered. The following is a summary of discussion at the meeting.

- TEA welcomed the committee and introduced new members.
