

Graduation Rate

Summarizes count/percent of campuses and districts with 100% graduation rate.

This can be used to assess the impact of give campuses and districts 100 points for graduation if the corresponding graduation rate is 100%.

3 of 4 F-IR Rule

Provides a summary of # of campuses and districts affected by the 3 of 4 F/IR rule, indicating which domain was not an F/IR. Also, provides a listing of the scaled scores campuses or districts received for that domain.

This can be used to assess some modifications to the 3 of 4 F/IR rule.

Dropout Rate Use

Provides a summary of the effect of not using dropout rate in the calculation of Domain 1 score. This analysis is broken into 3 groups of campuses: (1) Dropout Recovery Schools, (2) AEA excluding DRS, and (3) non-AEA campuses. A listing is also provided of those campuses whose overall scale score changed by not using dropout rates in Domain

This can be used to assess options for the use of dropout rate in Domain 1.

100% Graduation Rate

	Campuses	Districts*
# 100% Grad Rate	673	314
Total with Grad Rate	1577	806
% 100% Grad Rate	42.7%	39.0%

* Not including single-campus districts

Proposal is to give full 100 points to these campuses and districts
