

Index 2: Student Progress

	STAAR and STAAR A Tests			

Index 3 : Closing Performance Gaps

	Years in U.S. Schools	STAAR and STAAR A Tests		STAAR-L Tests	STAAR Alternate 2 Tests
		ELLs receiving Bilingual Education or ESL Instructional Services	ELL Parental Denials or ELL progress measure plan exceeders		
Index 3: Closing Performance Gaps	<i>First year of enrollment in U.S. schools</i>	Not Included	Not Included		

ELL Student Group Definitions

The table below summarizes which student groups are evaluated in each performance index and in system safeguards and describes how the ELL student group is defined when it is evaluated as a separate group. Note that each of the accountability indicator student groups also include ELLs based on demographic characteristics (race/ethnicity or economically disadvantaged) and program participation (special education).
